

# Story Circle

## What do we need to bring?

Storybook with a nature theme

## Activity

- In the depths of Woodland Play you will find our storytelling circle and wooden throne.
- Bring along your favourite nature themed storybook and read it aloud.
- If you visit in the autumn or winter, try *Stick Man* by Julia Donaldson. Explore the woodland looking for sticks before you begin so you can join in with the story. Can anyone find one that looks like *Stick Man*? You can even have a go at pooh sticks on the bridge across the Chinese Streamside.
- *Superworm* by the same author is great for spring and summer. It is full of garden creatures that if you look closely all live in our garden too. The garden is full of habitats including ponds, meadow and woodland. Our garden is also home to pigs and chickens. See if you can find them.
